

REPUBLICAN NATIONAL COMMITTEE | PRESIDENTIAL ADVISORY BOARD

PRESIDENT DONALD J. TRUMP

Friday Morning

Dear Fellow American,

I am counting on you to tell me the truth...

...Hearing from you is extremely important to me as the Democrats in Congress attack me with a baseless, partisan impeachment hoax and the Washington, D.C., and New York City media bombard me with negative, distorted FAKE NEWS.

That's why I'm personally reaching out to get your input and ask you to help lead my 2020 grassroots support team. I want to know you are standing with me in this fight.

Please don't delay. Complete the enclosed **Presidential Advisory Board State of the Nation Survey** and return it to me with your contribution of \$35, \$75, \$150, \$250, \$500, or even \$1,000 to the Republican National Committee (RNC) as soon as you can.

No other organization plays a bigger role supporting my political goals and my agenda than the RNC. I need the RNC to be strong and active. The future of the Presidency, and our entire country, depends on the success of the RNC's efforts to build our Party and implement a winning campaign strategy.

And that's why I need patriotic Americans like you working to help me fight back against the Democrats' endless, phony impeachment inquisition.

The corrupt Democrats, with the help of their lapdogs in the biased media, are trying to destroy my Presidency and divide our nation with their bogus, partisan witch-hunt impeachment – while they ignore REAL crises facing our nation.

Why are they doing it? The Democrats want to distract attention from their horrible Presidential candidates and their kooky agenda of Big Government Socialist proposals.

Their only chance of a Democrat victory this November is to create a smokescreen of lies and propaganda. They don't want people to realize just how crazy and destructive their agenda of radical, far-Left policy proposals really is.

Can you believe that? We can't let them get away with it.

That's why it is so important to me to have you provide your input through the enclosed **State of the Nation Survey**, as well as a contribution of \$35, \$75, \$150, \$250, \$500, or even \$1,000 to the RNC.

(Over, please)

I want the feedback of REAL Main Street Americans like you to let me know if you approve of my policies and the job I'm doing as President. I want the truth – do you want me to keep fighting this partisan impeachment and working to Keep America Great?

I need to hear from you. I want your voice to rise over the droning Democrats like Shifty Adam Schiff and Nervous Nancy Pelosi. Please respond as soon as you can.

I've been working incredibly hard to bring accountability to the federal government and to get the bureaucrats out of the way so our economy can grow and create jobs.

For too long the federal government and the people who work for it forgot that THEY work for YOU, not the other way around. Not anymore. *(That's why they hate me so much!)*

I ran for President to fight for the American people. My victories are your victories.

And I'm proud to say: We are WINNING...big time.

We've repealed dozens of the Obama Administration's terrible regulations. We've sent the military to bolster border security and we ARE building a border wall to stop illegal entry into our country. We confirmed two pro-Constitution Supreme Court Justices, Neil Gorsuch and Brett Kavanaugh. We passed historic tax reductions and reforms that are helping create jobs and getting the economy growing at a record pace.

We added \$21 billion in defense spending to revitalize our nation's military. We are giving our Veterans better health care choices and benefits.

And the United States of America is standing strong for our people and our interests across the world. Terrorists are on the run or in hiding all across the globe.

Canada and Mexico renegotiated the North American Free Trade Agreement (NAFTA)... agreeing to the USMCA, a great agreement that puts America First.

So many BIG WINS for America.

But Liberal Democrats in Washington, D.C., like Chuck Schumer and Nancy Pelosi aren't happy. And their pals in the Liberal media don't even acknowledge our strong, expanding economy and the positive impact of my policies.

Rather than cheering for America's victories, they grow more and more angry and aggressive every day. And when one of their phony allegations against me is proven FALSE...they dig up some other accusation using anonymous "whistleblowers" and secret, star-chamber hearings in the basement of the Capitol!

The corrupt Democrats are blinded by power envy. They put politics before country. They want to overturn the last election and wipe out the votes of over 62 million Americans! It is a disgrace.

(Next page, please)

It is difficult to work with them when all they do is accuse, investigate, and interrogate. No President should have to deal with endless bitter, phony, and politically motivated attacks.

Unfortunately, the ugly partisan obstructionism and phony impeachment by the Democrats have created a state of gridlock in Washington, D.C.

But in the communities like yours, optimism for the future is rising along with our economy. People are getting back to work and they are starting to believe once again that America's best days are ahead of us. I believe the state of the nation is great.

In the coming months, I will continue to travel across the country to hold rallies to reach out to voters, listen to their concerns, and make sure they get a chance to hear the truth about my policies and their positive impact on our economy, our security, and our freedom.

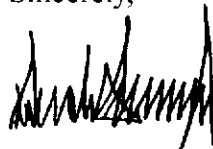

By completing and returning your **Presidential Advisory Board State of the Nation Survey** you will provide me with an honest assessment of how you feel about the direction of our federal government and our country under my leadership.

I urgently need you to stand with me today as I fight the corrupt Democrats' partisan impeachment and lay the groundwork for our 2020 campaign.

So please, send the enclosed **Presidential Advisory Board State of the Nation Survey** along with your generous contribution of \$35, \$75, \$150, \$250, \$500, or even \$1,000 in the pre-addressed envelope provided.

Your feedback will let me know how you feel – unfiltered by the Fake News and their biased polls. Thank you in advance for your steadfast support of my leadership, my agenda, and our Republican election year efforts.

Sincerely,

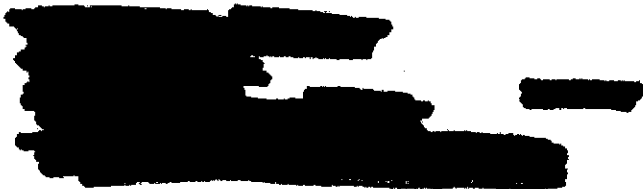

Donald J. Trump
President of the United States

P.S. I am depending on you to become part of my **Presidential Advisory Board**, to help sustain me as I battle against the Democrats' partisan impeachment inquisition and work to prepare for the 2020 election year – and to help our Party achieve victory in THE all-out political battle for our nation's future. Please complete and return the enclosed **State of the Nation Survey** to provide me with your feedback on my presidency and the partisan obstructionism and attacks I am facing in Washington, D.C. And please include a contribution of \$35, \$75, \$150, \$250, \$500, or even \$1,000 to help the RNC build our Party's campaign effort, defend my record, and promote our Keep America Great agenda. Thank you again for all of your support and friendship. It means a great deal to me.
